

April 12 1946

Mr Wm. Mc Kechnie Jr.
Dunn Field
Trenton N.J.

Dear Mr McKechnie:

I am writing first of all to tell you we will not use the date of May 4th in Trenton. The Cubans were afraid it was a little early. However we will use Wednesday May 8th. This date The Eagles will play The Phila. Stars in Dunn Field.

I am enclosing you a copy of a letter we are sending out to some of the fans in Trenton.

I told my publicity man to send the publicity to you. If you would prefer having me send it directly to the papers please let me know.

Next I find the prices we charged last year were 60cts bleachers, 90 cts g.s. and \$1.25 boxes. The last time I talked to you I said 85cts grandstand, but we do not want to go down in prices. The 90 cts makes easier figuring anyhow. 75 plus 15. I am expecting you to have the tickets. If you do not please let me know.

I just received a letter from Mr Laramore telling me the gentleman from Philadelphia was planning to play in Dunn Field this summer. I do hope it does not cause any conflict. If I had known you were going to have any other colored baseball there I would have asked the league members if they wanted to come to Trenton under that set up. You know it is very easy for people to get confused. They may see a game played by one of his teams, and think that is the same brand of ball we play. I have seen cities hurt by this sort of thing.

I believe everything is coming along fine., and I am expecting Trenton to be a good spot.

Very Truly Yours
